25-Jun-2021	2021-176-01039	MERIDUS	Heavy Duty	1.00	1,000.00	1,000.00
<p>After loading this trailer (which took about an hour because it had been sitting and rotting so long in one spot). I observed that there was no destination tow lot listed on the impound card. I was advised but Sgt. Meridus that this was a blight violation. He was advised to have it towed to the DPD Grinnell lot but it is common knowledge that they do not have room for commercial trailers at that lot. After the Sgt. made several more phone calls, I was instructed to tow the trailer to the Caniff lot (#1 Impound). As soon as I pulled in I was advised by the lady that manages the lot (can't recall her name) that I could not drop the trailer there. She advised me to call someone and figure out where to drop the trailer. I respectfully declined and gave her Sgt. Meridus' number. After sitting in the Caniff lot driveway for several hours on standby and finally speaking to Lt. Gregory I was instructed to tow the trailer to the DPD Grand River tow lot location. While at the Grand River location, I had to wait for a DPD tow truck to show up and remove a downed tree from in front of the Elmhurst entrance to their so that I could drop the trailer. I was finally clear from this call at about 3:30pm. Per Lt. Gregory and Capt. Jevon Johnson, we were instructed to charge what we needed for the time involved with this call.</p>				Sub Total		1,000.00
